ASSAULT AND VINEGAR* No typo here, let's just say this salt & vinegar blend is a real "hit"

BBQ* Simple sweet saucy goodness of our honey BBQ glaze in every bite

BLACK PANTHA Trust Alz with this crazy combo of General Tso's and Mesquite. It works

BT ORIGINAL* Our #1 sauce... if the Colonel had this recipe, he'd be a General!

CHIHUAHUA* Guaranteed not to bite your ankles, we've dusted garlic wings with a special blend of seasoning + parmesan cheese

GENERAL TSO'S It's "tso" good. Yeah, we went there

MEMPHIS SWEET* Sweet BBQ with a little southern tang

MESQUITE* This smoky dry rub is full of that 'off the grill' flavor

LEMON-N-PEPPA Let's talk about wings baby, let's talk about you and me

WINGBAE Lightly dusted in Old Bay, this is our new Bae

SWEET CHILI* A balanced fusion of sweet mixed with fresh chili peppers for a little kick

TANGY GOLD A smoky-sweet sauce with mustard, aged cayenne, apple cider vinegar and the right amount of spice

GARLIC PARM* Fresh buttery garlic, topped with parmesan cheese (warning: does not come with a breath,mnt)

BOURBON Made with Kentucky's finest with just the right amount of soy, brown sugar, heat, and spices for the perfect balance

BLACK AND GOLD This steel town classic has all the makings to be the 12th man. A peppery honey-mustard combo that packs a little punch and is destined to win championships

CAJUN DRY* This dry rub is straight from the Bayou

CAJUN WET* Love that Bayou flavor of Cajun Dry but like to get your hands wet? Here's your sauce

CHUPACABRA* This sauce is no longer fictitious folklore. Mike and Ben bared witness to the creature itself - a well balanced sweet, smokey and spicy sauce

COYOTE* This cult classic dry rub is real crowd pleaser. If we told you how we make it, we'd have to kill you. Don't ask **Make it "babe" style by adding a side of Bourbon Sauce**

DINGO* They say it's better to be lucky than good and we got lucky when we "accidentally" cooked up the Dingo. It's a mild buffalo with a healthy dash of spices and some cool ranch. Hurry, the Dingo will eat your wings...

GNARBENERO* Breaking News; Gnarley Sauce caught using GHG to improve wing sales! This enhanced flavor mixes two crowd favorites for the ultimate performance sauce

GNARLEY* Another house favorite, a harmonious blend of spicy, hot, tangy garlic and smooth, sweet BBQ

HONEY BADGER This is what happens when Coyote weasels: its way into Tangy Gold. Honey Badger don't care

HONEY GARLIC HABANERO* Our GHG sauce has been scientifically proven to be performance enhancing. This sauce is worth the risk of a suspension

HYENA* This little doggie has a classic buffalo flavor and a dash of garlic - topped with parmesan cheese

JACKAL Did you know that jackal's are often depicted as clever sorcerers in myths? It's true: Look it up. We're not claiming to be a sorcerer but we did work some magic by putting our twist on the classic Black and Gold sauce

LOU-Q Child of the Mississippi, Lou Q sounds like the name of a legendary regular at BT but in reality it's a Big Easy blend of BBQ and fiery Bourbon sauce. Legend in the making

RED HOT HONEY* A nice little combo of honey sweetness and spicy

ZESTY BBQ* If Cluckin' BBQ had training wheels. This one is similar to its big brother but sweeter and milder

ATOMIC* A habanero-y heat that is a good stepping stone to Cluckin' Hot

CHIPOTLE A smoky peppery sauce full of flavor

CLUCKIN' BBQ* When fresh spicy habaneros invade your BBQ sauce the result is Cluckin' BBQ

CLUCKIN' HOT* We proudly think this hot sauce has a terrific flavor profile - it's not just a mouth numbing, eye watering hot

HOT* Similar to BT original but with a nice little fiery kick

HOT GARLIC* The grown-up version of our garlic parm with a little added heat

HOWLIN' COYOTE Our king of the dry rubs got all sorts of spicy with a fiery kick. Dust it on any wing sauce to turn up the heat

SCORCHED EARTH* The year is 2070. The zombie apocalypse is here and this fire sauce fuels the remaining civilization

TEQUILA LIME* Everyone knows that tequila and lime go together like cheech & chong. Add a dash of heat, ole!

MARGARITAVILLE Nibblin' on sponge cake, watchin' the wings bake...all of those drums covered in sauce, a citrusy, spicy, tequila lime sauce

THAI SPICY PEANUT BUTTER A unique blend of peanuts and spice - go ahead, thai it!

Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of foodborne illness
